

FARMHOUSE MATOPOS

OCTOBER / NOVEMBER 2021 Newsletter #4

PLATFORM ABLUTIONS COMPLETE

Our toilets and showers at the platform area are now complete. This means that the area can now be booked for overnight campers. The platform offers a unique view of our game and waterhole area.

BABY SEASON AT FARMHOUSE

All the animals have young at foot. We now have baby warthogs, zebra, impala, wildebeest and giraffe! We love this time of year!

PARKS FENCE

Matopos Conservation Society has been upgrading the fence of the National Park. It is coming along nicely, and looking very good. Big kudos to them for the hard work they do with the parks team.

GULABHWE CAVE

This small cave lies just off the Old Gwanda road. The content of its art is unusual and makes the cave a well worth place to visit. We can provide GPS co-ordinates to any guests interested in seeing this different cave.

SPECIAL OFFER

We are still offering a special price of US75 pp sharing pn DBB – regardless of nationality. Locals still only US55 pp pn.

Black Rhino Safaris is also running a very good special for locals. A half day safari for 8 guests (not including park fees) is US200 for all 8.

Farmhouse owners, management and staff wish all of our guests, past, current and future a very Merry Christmas and a fantastic 2022!
